The RX-215k / RX-196k liquid-cooled all-in-one cabinet battery designed for Commercial and Industrial (C&I) applications is a cutting-edge energy storage solution that integrates advanced technologies to ...

The MEG 100kW x 215kWh Cabinet is engineered as a modular energy storage building block, ideal for commercial facilities, microgrids, and community-scale projects.

Liquid-cooled 100kW 232kWh lithium battery ESS Integrated Solar Power Cabinet, an advanced high-voltage energy storage solution designed for industrial and commercial applications.

It features 100KW power conversion system, 232kwh LifePO4 battery banks, energy storage system, liquid cooling systems, fire control system, and an ...

The HighJoule 100KWh Outdoor Cabinet Series offers a robust solution for commercial applications, featuring a 100KWh LFP or SSB battery with over ...

This fully integrated 100kW/215kWh system combines high-density battery storage with intelligent power management in a single, factory-assembled unit - delivering unmatched performance and reliability ...

Configured with a rack-mounted modular PCS, it supports parallel connection of multiple machines and has good scalability; the number of PCS modules and ...

The iCON 100kW 215kWh Battery Storage System is a fully integrated, on or off grid battery solution that has liquid cooled battery storage (215kWh), inverter (100kW), temperature ...
