Iraq is a country in southwestern Asia. During ancient times, lands that now constitute Iraq were known as Mesopotamia. The modern nation-state of Iraq was created following World War I ...

Iraq is a parliamentary democracy located in the Middle East with a population of more than 31 million people. Iraq held parliamentary elections in March 2010 and has a coalition government.

Some two decades after a shaky political transition, Iraq today is a country "at peace, with increased security and a clear determination to win the battle of development," says the UN resident...
