At Burhani Solar, we believe in building a brighter, more independent future--one solar panel at a time. ? Here"s to energy freedom, innovation, and a sustainable Kenya.

Burhani Solar is a leading solar energy company in Kenya and East Africa. We trace our humble roots to a small electrical shop in Mombasa known as Abdulrasul Mulla & Sons which was established in 1992.

"What makes our containerised solar power generation units special, is our use of international engineering standards and components, while still producing local ...

Our 40ft mobile solar container uses high-efficiency PV modules and an intelligent storage system whose energy density and thermal performance meet the local climate. Crucially, we backed the ...

Burhani Solar is a leading solar energy company based in Mombasa, Kenya. We have been designing and installing solar systems of various sizes since 2005 after receiving basic solar training.
