LONGi Solar Panels - High-Efficiency Solar Power LONGi Solar ...

The Longi 650W Mono Facial Solar Panel is a high-performance photovoltaic module designed for utility-scale, commercial, and industrial solar installations. ...

LONGi offers professional consulting services, professional knowledge of PV power plant and charging station solutions, and full life cycle O& M capabilities. Contact Us

By designing, manufacturing and supplying high-efficiency monocrystalline solar modules, we provide the most outstanding photovoltaic products, system solutions and related services to customers ...

Specifications included in this datasheet are subject to change without notice. LONGi reserves the right of final interpretation.(20241118 BGV02 Draft)

The LONGi Hi-MO X10 650W bifacial solar panel is a high-efficiency module engineered for large-scale installations where maximum power density, durability, and long-term reliability are essential. This ...

Power up your solar projects with the Longi Hi-MO X10 630W-650W Photovoltaic Module, a cutting-edge PV panel engineered for maximum efficiency, durability, and long-term energy yield.

The 650W Hi-Mo X10 Longi It is an ultra-high power photovoltaic module designed to maximize performance in industrial and commercial installations. Based on the revolutionary cell architecture ...

With a powerful 650W capacity, this bi-facial solar panel harnesses sunlight from both sides, ensuring optimal energy generation even in low-light conditions.

The Longi HiMO X10 HPBC 2.0 series offers outstanding 650W, 645W, and 640W power outputs. Utilizing advanced HPBC 2.0 mono-facial technology, these panels ensure optimal energy ...
