LONGi Solar Technology Co., Ltd. Solar Panel Series Hi-MO X10 Guardian LR7-72HVHF 640-670M (Anti-dust Frame). Detailed profile including pictures, certification details and manufacturer PDF.

The Longi 670 Watt Solar Panel combines advanced technology and robust design, providing exceptional energy efficiency and durability. Its superior ...

The Longi HiMO X10 Scientist (670W, 665W, 660W) Solar Panel combines advanced HPBC 2.0 mono-facial cell technology for exceptional performance ...

Specifications included in this datasheet are subject to change without notice. LONGi reserves the right of final interpretation.(20240927 V01 Draft)

The LONGi Hi-MO X10 is a high-efficiency solar panel with HPBC 2.0 cell technology, offering up to 670W power output and 24.8% efficiency. It features a ...

Classic, but with revolutionary changes. Unique high-efficiency HPBC cell structure sets new standard for PV technology.

The LONGi Hi-Mo X10 Scientist LR7-72HVH (640-670W) solar module combines cutting-edge TaiRay wafer & BC technology with exceptional reliability, high power output, and smart manufacturing ...

Offering 640W to 670W power output with a module efficiency of up to 24.8%, this panel uses BC-cell technology for optimized energy conversion and performance, even under harsh environmental ...

LR7-72HVHF 670M Solar Panel Product Information - (670W) by LONGi Green Energy Technology Co Ltd including datasheet and warranty information where available.

The Longi Hi-MO X10 Guardian 640-670 W solar panels are backed by full IEC, UL, CE, and ISO

Longi photovoltaic panel 670

certifications. We supply these Longi panels in volume and ...
